CONVENTION REGISTRATION AND COSTS

Registration Process

1. Begin the registration process by registering your chapter using CAJCL's online database at <https://n344.fmphost.com/fmi/webd#CJCL-Database> (Access codes are the same that were used to process your CAJCL Chapter Membership.) If you are new to CAJCL, contact Martha Altieri at statechair@cajcl.org.
 - a. An email will be sent to the sponsor to confirm the chapter's registration and to provide a link and instructions for Adult Registration.
 - b. A separate email will be sent to the sponsor with an attached Excel workbook and instructions for Student Registration.
2. The registration process is different for adults and students. Delegates will **NOT** register online.
 - a. The Sponsor, other sponsors/teachers, and chaperones must register online using the link received in the confirmation email (1a). Adults must also complete the Medical and Waiver forms and return to the School Sponsor.
 - b. Delegates will use the Activities Sheet (provided in the convention packet) to record their information and test/contest selections. Students will return the Activities Sheet and payment to the sponsor/Latin teacher.
 - c. All students and adults will return the Medical and Waiver forms to the Sponsor.
3. The sponsor will manage Delegate Registration by completing the Excel workbook (1b) that lists all student delegates, their information, and some test/contest selections. **The completed Activities Sheets will provide the information needed to complete the Excel worksheet.** You should NOT send the completed Activities sheets to the host school. They are yours to use as you will.
 - a. You can print an Invoice from the workbook (third tab).
 - b. You can print a list of your student delegates from workbook (fourth tab).

Convention Costs

Registration fee is \$100 per student and \$40 per adult (except SCL not acting as official chaperones) outside the 1 adult : 12 students ratio. Note that 13 students entitles a school to 2 free chaperones. Cost includes Friday dinner and Saturday breakfast, lunch, and dinner. Additionally, **a ratio of at least one adult per twelve students is required.**

An event of this size requires pre-payments for meals, facilities, security, and other items based on the number of students and adults registered. Thus, refunds will not be made if student delegates are unable to attend. "Substitutions" may be made **on/before March 22, 2019**; please contact Matt Davis (convention host sponsor) at (925) 297-7603 by phone or text.

By February 20, 2019, please send a packet with the following:

1. A printed list of your student delegates (see 3b above).
2. Medical Forms and Waivers for all student delegates and adults (sponsors and chaperones).
3. ONE CHECK payable to: **Miramonte High School**
4. Mail to:

Matt Davis
Miramonte High School JCL
750 Moraga Way
Orinda, CA 94563

ACTIVITIES

Pre-Convention Contests (see White Booklet for contest rules)

All delegates are allowed to enter modern myths, poems, and slogans before convention to be judged against other delegates in California of the same Latin level. A modern myth must be an original myth meant to explain the existence of some phenomenon in nature or in modern culture, an existing classical myth adapted to fit modern times, or an original myth centered around existing classical figures. Poetry must be based on this year's JCL theme and must be in English, but are not limited to any specific meter or verse. Slogans should advertise JCL and can be written in either English or Latin. Students can enter a maximum of ONE modern myth, ONE poem, and TWO slogans; all entries must be postmarked by **March 2nd, 2019** and sent to:

Major Events*:

Academic Testing - If you're looking to escape from the doldrums of day-to-day school, come to convention and take tests that are enjoyable! Select from a wide variety of tests and then get awards for being smarter than the other Latin nerds.

Catapult - Do you get in trouble for throwing things in class? We won't tell you not to! We encourage you to fling water balloons, beanbags, and plushies with your chapter catapult! Not a troublemaker? Then apply what you learned in physics and help build a powerful siege engine. Come bombard the Miramonte fields with an onslaught from your mighty onager!

Chariot - Ever wonder what it was like to be one of the essedarii (charioteers) of ancient Rome? If so, you have that opportunity in our chariot races! Construct a chariot with your chapter and bring it to convention where you will compete against other chapters' chariots. It's not the Circus Maximus...but hey! All important things began small!

Dramatic Interpretation - Are you an aspiring thespian? Do you understand the woes of those you have come to love through translation? Dramatic Interpretation is perfect for you! Act out a pre-memorized passage and impress the judges with your heartfelt rendition of an ancient scene.

English Oratory - There's nothing quite as well understood as a speech. Prepare a three minute oration on the convention theme (bees are not of a solitary nature) and be evaluated on delivery, memorization, adherence to classical theme, and other criteria found in the White Book.

Essay - Do you love to write? Do you wish to express your knowledge of the English language and the Classical world? Then Essay is for you! The best way to flaunt your style is a well-worded response to our engaging prompts on demand!

Graphic Arts - One of the most beautiful events at convention, graphic arts consists of beautiful art in various media prepared before convention. **NB: Make sure to look at the White Booklet restrictions!** There's nothing more sad than disqualifying beautiful art because it didn't follow the rules.

Latin Oratory - Follow the footsteps of Cicero and other great Roman speakers by expatiating (or ranting) a selected passage (in Latin, of course). Violent hand motions and extremely dramatic pauses are highly encouraged, along with preparation and memorization. Who knows - you might be destined to become a famous Roman politician and vehemently denounce a traitor to the republic!

Latin Sight Reading - *Si hoc legere scis, illud tibi faciendum est.* Show your ability to pronounce a passage you've never seen before. It's more fun than it sounds, and great way to be exposed to new authors.

Open Certamen - Do you love Roman history? Mythology? Latin in general? Open Certamen is the event for you! It's a great way to have fun while testing your knowledge of Latin, and you might even meet new friends from all over the state of California. You've probably seen those teams from your school preparing hard for competitive Certamen, but you don't have to cram all those facts into your head to enjoy the competition. Just come over to Open Certamen, it'll be a blast!

Sports Olympika - This year's convention will have a multitude of sports offered such as swimming, track and field, volleyball, ultimate frisbee, and more! Make sure you bring the required equipment; eg, a swimsuit for swimming.

**Contest Rules in White Booklet*

New Events:

Stargazing - Ever wondered why the constellation Scorpio is always following Orion? Here's your chance to find out! For the first time at convention, you can venture up to the football field to look at the stars and hear the stories behind the names.

Triumphal Arch - *Exegi monumentum aere perennius...*this is your chance to build a literal monument—out of construction paper—and inscribe whatever you want on it!

Carnival 2.0 - You've seen the carnival games at past convention, but get ready for the new and improved carnival on the quad, with your favorite games, tickets and prizes, cotton candy, popcorn, caricature artists, and more!

Nationals Info Lunch - Wondering what all the hype about National Convention is? Come to the Nationals Info Lunch to learn more about it from those who've attended in the past and make some new friends!

Dessert Booth - Want more than just a cookie after the banquet dinner? You'll have tons more options at the dessert booth, featuring a chocolate fountain to fulfill all your sweet desires!

Graphic Arts Best in Show - Looking for more than just a first-place ribbon in graphic arts? Look no more! This year, we'll be bringing the famous graphic arts best in show from Nationals to the local level, recognizing the most creative and stand-out artwork (across all graphic arts categories) with a special prize.

National Banner Contest - Love designing or sewing? Ever dreamed of creating a banner for an ENTIRE STATE? This year, we'll be offering a \$300 cash prize for the best banner design for CAJCL to be displayed at Nationals! (see pages 9 for rules)

Returning Events:

Agora - Looking for tokens of your obsession with the Classics? Want to find a buyer for useless items that you need to get rid of? Would you like to help fund your local JCL chapter? Come offload your trash or discover your treasure here at Agora!

Bubble Soccer - Are you ready for a more intense version of soccer!? Bubble soccer is like regular soccer, but every player is surrounded by a plastic bubble sphere, making it a game of bubbly ricochets and collisions! The goal of the game is still to score goals, but you'll find that with bubble soccer, there's a whole new array of tactics to discover! A waiver is required.

Carpe Amicum - Anyone who catches our JCL *amici* running around on Saturday in red capes wins a raffle ticket for your school to get to go to dinner first!

Costume Contest - Show off your design skills and tailoring in the always-popular costume contest! This year's characters are the following:

Boys: Lucius Tarquinius Superbus

Girls: Tullia Minor

Couples: Numa Pompilius and Egeria

Edible Mosaics - Come build your own mosaic out of M&Ms, frosting, and graham crackers, and eat it afterwards!

HackJCL - Calling all programmers! Create and bring to convention any program, website, app, or other programming-related project that is related to the Classics. At convention, give a two-minute presentation to a judging panel explaining your program.

Karaoke - Didn't make the cut for *That's Entertainment?* Want to show the world your abilities? Come sing in karaoke! No talent required!

Kahoot (Classical AND Harry Potter) - Have secret classroom superpowers? Need to show your pure genius? Celebrate your classics and/or Harry Potter knowledge with your favorite game: Kahoot! For those of you who don't know Kahoot, get ready for an intense digital twist on your other favorite game, Certamen!

Laser Tag - Good at sneaking around? Have perfect aim? Come to laser tag and use those skills to dodge laser guns and beat your friends!

Myth Jenga - Enjoy myth trivia or a challenge? Draw upon your favor from Mt. Olympus as your team answers myth questions while playing Jenga! Who can keep their tower from falling by impressing the great gods with your knowledge?!

Pandora's Box - Love solving puzzles? Enjoy working together with friends? Come to the escape room, where you and your friends try to escape by solving mini-puzzles as fast as you can!

Piano - Do you love to make music? Participate in our piano contest and display your talent for the judges. Bring 3 copies of your music and be prepared to play no more than three minutes.

Project Runway - In the words of Madonna, "Vogue, strike a pose." Unleash your inner fashion designer at Project Runway. Experience Project Runway like never before: the timed challenge, the judges, the suspense – The only thing missing is Tim Gunn. Choose your fabric and create a Roman-inspired ensemble that will wow your fellow JCLers!

Roman Rap Battle - Come channel your inner Kendrick and combine your JCLove with your passion for rap! Perform in front of all your friends to show off your skills!

Roman Speed Dating - Are you ready to find true love? Well, be sure to participate in Roman Speed Dating! This activity is a fun way to meet new JCLers and possibly...JCLovers. A candlelit soiree awaits!

Spoken Latin Lunch - Do you want to take a break from translating while still taking your Latin skills to the next level? Challenge yourself by discussing written works in *Lingua Latina* with a group at Saturday lunch! Don't worry, you don't need to be fluent, or even have taken much Latin before! This will be an experience of growth unparalleled by the other lunchtime activities.

Taberna (Casino) - Dreaming of striking it rich? Come to the taberna during banquet to win some snazzy prizes!

That's Entertainment - Come show off your abilities in singing, dancing, piano, or any special talent! Audition on Friday night last about 1 minute for a chance to perform for up to 10 minutes (time determined by SCL) for cash prizes on Saturday! Piano, drum sets, and microphones will be available.

Venatio (Scavenger Hunt) - Grab a group of friends and a mobile device to follow the clues around campus to explore and win! We will have some extra iPads available.

And Workshops TBD!
